The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should justify and seek annual shareholders' approval. If the board continues to retain the independent director after the twelfth year, the board should seek annual shareholders' approval through a two-tier voting process.

<b>Application</b>	: Applied - Two Tier Voting
<b>Explanation on application of the practice</b>	<p>: At the preceding AGM held on 23 May 2017, the shareholders had approved the retention of Datuk HjMajin bin HjAjing and Datuk Jaswant Singh Kler as an Independent Non-Executive Director.</p> <p>The Company intends to seek shareholders' approval through a two-tier voting process at the forthcoming AGM to retain Datuk HjMajin bin HjAjing who has served more than 12 years as Independent Director for the ensuing year.</p> <p>Considering the recommendation of the Code on the tenure of an independent director should not exceed a cumulative term of nine years, the Board holds the view that the ability of an independent director to exercise independent judgement is not affected by the length of his service as an independent director. The suitability and ability of independent director to carry out his roles and responsibilities effectively are very much a function of his caliber, experience and personal qualities. Restriction on tenure may cause loss of experience and expertise that are important contributors to the efficient working of the Board.</p> <p>The Board is fully satisfied that Datuk HjMajin bin HjAjing and Datuk Jaswant Singh Kler, who have served as an Independent Non-Executive Director for more than twelve years and nine years respectively, are still independent and continues to bring valuable business expertise, knowledge and professionalism to the Board for its efficient and effective functioning. They have actively participated in Board deliberations and provided objectivity in decision making. The Board is of the opinion that both will continue to bring independent views of the Company's affairs to the Board notwithstanding their length of service. The Board believes that their in-depth knowledge of the Group's businesses and extensive experience and expertise continue to provide invaluable contribution to the Board.</p>

	<p>The Board through its Nomination Committee will continue to carry out rigorous review to determine if Datuk HjMajin bin HjAjing and Datuk Jaswant Singh Kler still remain independent and continue to exercise strong independent judgement and provide balance to the Board with their unbiased and independent views, advice and judgement in all Board deliberations based on the following key characteristics:</p> <ul style="list-style-type: none"> <li>• possess sufficient self-esteem and confidence to stand up for an independent point of view;</li> <li>• approach any transaction that requires board’s approval with a watchful eye and an inquiring mind (professional scepticism);</li> <li>• are unafraid to express an unpopular stance on issues or express disagreement on matters and actively pursue them with the rest of the board and with the management team; and</li> <li>• do not shy away from asking hard and uncomfortable questions during board deliberations and willing to delve deeper if the responses provided are not satisfactory.</li> </ul>

The board discloses in its annual report the company’s policies on gender diversity, its targets and measures to meet those targets. For Large Companies, the board must have at least 30% women directors.

<b>Application</b>	:	Departure	
<b>Explanation on application of the practice</b>	:	N/A	
<b>Explanation for departure</b>	:	The Board does not have a specific policy on setting targets for women candidates and ethnicity as the Board believes that it is of utmost importance that the Company has an effective composition of the Board to discharge their duties effectively in the best interest of the Company and shareholders. The Board believes that while it is important to promote gender diversity, it should not set a target just to fill the required vacancy for gender diversity as the over-riding criteria for selection should be based on an effective blend of competencies, skills, experience and knowledge in areas identified by the Board.	
		As and when vacancy arises, gender diversity will be a key criteria in our selection consideration.

### Intended Outcome

Stakeholders are able to form an opinion on the overall effectiveness of the board and individual directors.

### Practice 5.1

The board should undertake a formal and objective annual evaluation to determine the effectiveness of the board, its committees and each individual director. The board should disclose how the assessment was carried out and its outcome.

For Large Companies, the board engages independent experts periodically to facilitate objective and candid board evaluations.

<b>Application</b>	:	Applied
<b>Explanation on application of the practice</b>	:	<p>The effectiveness of the board is vital to the success of the Group and Company undertakes a formal evaluation each year in order to assess the effectiveness of the Board and Audit Committee.</p> <p>During the financial year 2017, an annual assessment of the effectiveness of the board as a whole, individual directors, Board Committees, the Audit Committee and independence of its independent directors were conducted. The assessment is led by the Nomination Committee's Chairman and supported by the Company Secretary. The annual assessment is considered by the Nomination Committee, which then make recommendation to the Board to discharge its duties and responsibilities.</p> <p>The assessment of the Board is based on five main areas relating to Board composition and competencies, Board succession, Board meeting organisation and effectiveness, Board Chairman's roles and responsibilities and Board effectiveness. Amongst the most important criteria for evaluating board performances are:</p> <ul style="list-style-type: none"><li>• individual Board member's understanding of the Company's mission and strategic plan;</li><li>• Board members' understanding and knowledge of the Company's business;</li><li>• time commitment in deliberation and meaningful participation in the Board meetings; and</li><li>• Board meetings are conducted in a manner that allows for open and constructive communication, encourages focused discussions, critical questioning and the expression of various viewpoints and timely resolution of issues related to the Board meetings.</li></ul> <p>The assessment criteria for Board Committees includes the Board Committees' structure and composition, roles and responsibilities,</p>

meetings and communication as well as the collective skills and expertise of the Committee members.

For individual Director's evaluation, the assessment criteria include abilities and competencies, calibre and personality, objectivity and contribution to the activities of the Board and Board Committees.

Each member of the Nomination Committee receives the Board performance evaluation questionnaires and separate Committee performance evaluation forms. The assessment of the Nomination Committee's performance shall be carried out by individual members of the Nomination Committee. All Board members are required to assess their own performance by completing the Director's performance evaluation form.

The Company Secretary shall compile the results for submission to the Nomination Committee for review and assessment. The Chairman of the Nomination Committee shall then report the findings and/or recommendations to the Board. All assessments and evaluations carried out by the Nomination Committee in the discharge of all its functions are properly documented and kept confidential.

The performance of those Directors who are subject to re-election at the next AGM are assessed by the nomination Committee whereupon recommendations are submitted to the Board for decision on the tabling of the proposed re-election of the Directors concerned for shareholders' approval. In accordance with the Company's Articles of Association, all Directors shall retire from office once at least in each three years, but shall be eligible for re-election. A Director seeking re-election will abstain from all deliberations regarding his re-election to the Board.

During 2017, the Nomination Committee reviewed the required mix of skills, experience and other qualities, including core competencies which Non-Executive Directors should bring to the Board and was of the view that current composition of Non-Executive Directors reflects a good mix of Directors with diverse professional backgrounds and a wide range of experiences in business, finance and general management that contributes effectively in leading and directing the management and affairs of the Group.

The Nomination Committee also evaluated the effectiveness of the Board as a whole, the various Committees and assessing the contribution of each individual Director. Good and effective communications were established among Board members and Board Committee members on official and unofficial basis and major policies and corporate proposals are vigorously debated and scrutinised before putting to a vote. All members of the Board and the Committees have been diligent and exercised due reasonable care in discharging their duties and responsibilities. All Directors are firmly committed to ensure that the corporate governance standards are adhered to.

An assessment of independence of the Independent Directors was conducted whereby the Nomination Committee reviewed and was satisfied that the Independent Directors continued to exercise independent and objective judgement and acted in the interest of the Company and its stakeholders.

The Nomination Committee also reviewed and made recommendations to the Board of the following:

- (1) retention of Datuk HjMajin bin HjAjing and Datuk Jaswant Singh Kler as Independent Non-Executive Director;
- (2) re-election of the retiring Directors at the forthcoming AGM for shareholders' approval; and
- (3) assessed directors' training needs to ensure all Directors receive appropriate continuous training programmes in order to keep abreast with the latest development in the market place and with changes in the statutory and regulatory requirements. <b>Application</b>	: Applied
<b>Explanation on application of the practice</b>	<p>Based on the policies and procedures established, the Audit Committee is responsible to review the performance of the external auditors on an annual basis based on the following four (4) key areas after completion of the year-end audit:</p> <ul style="list-style-type: none"><li>i) quality of service;</li><li>ii) sufficiency of resources;</li><li>iii) communication with management; and</li><li>iv) independence, objectivity and professionalism</li></ul> <p>The Audit Committee may request the Group Managing Director and/or Chief Financial Officer to join the assessment.</p> <p>The Audit Committee is also responsible to review all the non-audit services provided by the external auditors and the aggregate amount of fees paid to them based on the policy and procedures on provision of non-audit services established by the Board. In respect of recurrent non-audit services such as reviewing the Statement of Internal Control, the threshold for the annual total expenditure will be set in advance by the Audit Committee. Any fees for recurring services in excess of the threshold set must be approved by the Audit Committee in advance of the expenditure being incurred. Approval for any other permitted non-recurrent non-audit services has to be sought from the Audit Committee on a case by case basis. The Audit Committee also took into consideration the openness in communication and interaction with the lead audit engagement partner and engagement team through discussions at private meetings which demonstrated their independence, objectivity and professionalism. Further information on the Audit Committee's activities is disclosed in the Annual Report 2017 under Audit Committee report.</p> <p>The Audit Committee was satisfied with the suitability of the external auditors based on the quality of services and sufficiency of resources they provided to the Group. The Audit Committee was also satisfied that the provision of the non-audit services was not in conflict with the role of the external auditors or their independence and the amount of fees paid for these services was not significant when compared to the total fees paid to the external auditors. Details of fees paid or payable to the external auditors for audit and non-audit services performed during the year are set out in the Additional Compliance Information of the Annual Report 2017.</p> <p>The Audit Committee concluded that the relevant independence of Messrs Ernst &amp; Young continued to be met. Accordingly, the Audit Committee unanimously recommended to the Board that a resolution for the re-appointment of Messrs Ernst &amp; Young as the Company's auditors be proposed to shareholders for approval at the forthcoming AGM and the Board has accepted and endorsed this recommendation.</p>
